**LIMITED WARRANTY POLICY**

AMG warrants, that all products shown are free from defects in material and workmanship. This warranty extends to the original retail purchaser only and is not transferable.

This warranty begins on date of purchase and ends 12 months from this date. Due to the variety of modifications and changes made to Mercedes cars and or engines which may affect the performance or durability of related components, AMG's obligation under this warranty extends only to repair or replace parts manufactured or sold by AMG, and not for painting and labor costs.

Expressly not covered by warranty are parts which show evidence of mis-application, abuse, improper maintenance, any alterations from their original configuration, or failure to follow installation instructions.

In addition AMG reserves the right to make changes to products or specifications at anytime without obligation to modify earlier parts.

No person, company or other organization is authorized to assume for AMG of North America and its authorized distributors any warranty responsibility or make any binding judgments regarding warranties of any parts which may from time to time become the subject of a warranty claim.

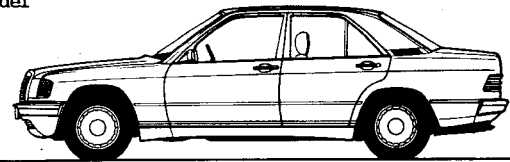

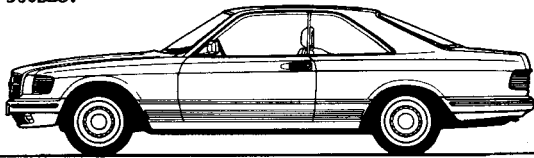

To file a warranty claim, parts should be returned to your distributor with proof of purchase and the following information furnished:

1. Customer name with complete address
2. Type of car, Year, Engine No., Odometer reading, License plate No.
3. Part covered under warranty with installation and removal date.
4. Date part was delivered.

No claims will be considered without VALID proof of purchase and the above information. Return freight charges must be prepaid. Return freight collect charges will not be accepted. Please call or write your salesperson for return authorization number. All parts which have been replaced under warranty become the property of AMG and cannot be returned.
